## Elf Escape Map

Use your 'Elf Escape' Map to navigate through Cladagh Glen looking for clues as to be where those mischievous little elves have got to.

The footsteps  will keep you on the right track. It may be worth checking out the areas where we've had some recent sightings 

### Map Key:

-  Visitor Centre
-  Start your search here
-  Follow the footsteps
-  Recent Elf sightings
-  Extra Bonus Elf (super difficult to find)

\*Remember the elves are very special and unpredictable, we don't want to disturb them or they might get up to even more mischief. Please don't touch :)

# Elf Escape Naughty or Nice?

**Santa needs your Help!** A bunch of little elves have escaped from Santa's Grotto deep within the Marble Arch Caves. Santa has asked for your help to track them down and to decide which elves are being **'naughty'** and which are being **'nice'**.

**Use your Elf Escape Map** to help you track them down. Look closely at what the elves are doing and decide which ones are doing naughty things and which are doing nice things.
